Energy costs could double by 2020

Industry's energy costs could double by 2020 unless action is taken now, says a leading business figure to visit the Humber region.

The planned introduction of the Carbon Price Support in 2013, as revealed in the latest Budget, forms part of a raft of policy measures which could drive energy related costs to twice their current levels by 2020, warns Nick Sturgeon, head of climate change and energy at the Chemical Industries Association.

City Works named as supplier for DWP Work Programme 2011

It was recently announced that G4S and Newcastle College Group have won the contract and will deliver the Department for Work and Pensions new Work Programme in East Yorkshire. Local partners, including City Works and the local Councils will help deliver the programme.

Business Week 2011 on track and better than ever

Hull's appetite to hold the event in 2011 is growing. Although the event has faced several setbacks ranging from funding cuts and management changes it was still going ahead and has a stronger line up events than ever before.

The event has established a busy programme of events across the city and East Yorkshire for 2011 with many partners across the city jumping on board. The full list of events can be found on the [Biz Week Website](#).
